The Marketing Manager

Dear Sir/ Madam,

We, Global Education Training And Services (GETS) and the District Education Departments, will be jointly organising the GETS-JPN District Education Exhibitions 2019.

The Education Exhibition is a very cost effective way for universities and colleges to reach out to students, parents, school counsellors and working adults. The education exhibition also acts as a 'One-Stop Education Centre' for students and school-leavers to obtain all the necessary information from a wide range of universities and colleges.

The District Education Department will be officially inviting SPM and STPM students from all secondary schools, school counsellors and personally invited parents to visit the exhibition, SPM / STPM 2018 students who will be looking for the best options in continuing their education.

For more information, you may contact Ms.Shekinah at 03-80602404 or Mr.Anthony at 012-326 1023.

We look forward to hearing from you. Thank you
